Re: In The Matter of Resource Energy Solutions, LLC For A Certificate to Provide Electric Supply Services within the State Of Delaware (Submitted December 5, 2018) - PSC Docket No. 18-1269

Dear Mr. Plutzer,

The Delaware Public Service Commission ("Commission") is in receipt of the application (the "Application") submitted by Resource Energy Solutions, LLC ("Company") for certification to broker electric supply services in Delaware. Please note, two notices of deficiencies have been sent to date in order to rectify the failure to meet the minimum filing requirements for certification. This is the **final** notice. This Application will close **April 5, 2019** if the deficiencies remain after this date. Please provide the following for consideration:

Section 2.2.10 Company Website

- A website address is a requirement of applicants. Please provide the Company's website address or apply for a waiver of this requirement.

Section 2.2.16 Financial Information

- Please provide an explanation for the failure to include a Statement of Member's Equity, as requested in the previous two letters of deficiency.

Section 2.2.13 Marketing Plans and Materials

- The Company has not confirmed that the only method of solicitation will be through existing relationships. Instead, the Company has stated that will use this method as well as "...seek to provide at some point in the future its energy procurement services to other owners of large commercial and industrial properties in Delaware..."
 - Please provide the other methods the Company intends to deploy in Delaware.

Section 2.5 Verification of Application

- Please provide a signed, sworn statement of verification for each subsequent filing in this docket.

Staff respectfully requests a response to this notice of deficiency on or before **March 22, 2019**. Please note that 26 *Del. Admin. C. § 3001* (the "Supplier Rules") section 2.4 provides that incomplete applications will be closed four (4) months after the filing date. If the application is not completed within the four (4) month time frame the applicant forfeits their application filing fee and must resubmit the application with an additional filing fee. The responses and verifications can be uploaded as a subsequent filing in DelaFile under Docket No 18-1269.
